

# Plane Wrecked At Lake Harbor When Buzzing Friends

Seth Rountree and Max Moeller Killed Instantly

Roy Seth Rountree, age 24, only son of Mrs. Ted Daniels of Lake Harbor, and Max Daniel Moeller, age 29, nephew of Ted Daniels, owner and manager of Lake Supply Ltd., were killed Wednesday afternoon at 3:30 o'clock when the plane in which they had been circling Lake Harbor nose dived into a bean field just south of the Lake Harbor School. The plane struck the ground with such force that the front end up to the wings was completely buried.

Highway patrolman Vinton Sheffield, who was on duty at the time, was one of the many witnesses to the tragedy, was among the first to reach the plane and helped remove the bodies. The faces of both victims were badly lacerated and identification was being made by drivers licenses in their wallets.

The two young men had been circling low over the town and around the school, waving and shouting greetings to friends and acquaintances. The plane was a Mid-wing Ryan Dual Control.

Rountree was in the front cockpit, but it was not known (Continued on Page 4)

# Medical Insurance Offered In Unique Selling Campaign

A unique plan of selling insurance for paying doctor bills will be presented to the public here beginning on November 15th, by Mr. Harold H. Berner and his associates Carl Jacobson and Fred J. Stokelberg.

The advantages of medical insurance and of this plan are being presented to the public by statement by Company representatives.

Under this new plan of pre-paid medical expense families can now budget the cost of medical care the same as food, clothing and shelter.

Available to individuals or family groups the program provides for payment of actual charges made by the doctor for the treatment of either accident or illness. No distinction is made as to whether treatment is given at home, the doctor's office or in the hospital.

The patient pays the first \$10.00 of the doctor bill and (Continued on Page 4)

# Grand Jury Takes Action On Several Glades Interests

Foreman J. Betner and his seven fellow jurors, comprising the County Grand Jury commenced several organizations for work done on Flood Control, and Dr. R. V. Allison of the Experiment Station for the work of his organization in the investigation, studies and recommendations on Glades Agricultural problems.

The County Delegation was requested to make the Flood Control Program its No. 1 project in the next Legislature, and requested it to make an earnest effort to increase the appropriation for the Everglades Experimental Station, so that it can keep pace with the growth of the Everglades section.

Farm to market roads are in for a recommendation as to their construction "from the Everglades section and to other parts of our County." Main arteries in the Glades section are in deplorable condition, and it is felt that the condition of these roads is a menace—and an economic loss to the merchants and business in the coastal area.

The U. S. Engineers, "RDB Everglades Drainage and Lake Wood Drainage Districts, Board of County Commissioners and individuals who have worked tirelessly and earnestly in preparing a program, were complimented for their work.

The report of the Jury was sent to National and local legislators organizations mentioned and to the Press of the County.

# Merchants Will Soon Resume Achievement Day Programs

The November business sessions of the Merchants Division of the Chamber of Commerce was held at the City Hall auditorium, Nov. 3rd, with the new chairman, Herman Close, presiding. The main business was to consider the renewal of Achievement Day membership, and to get that project ready for early presentation.

The Division will ask the city to make improvements on the West Avenue A paving. Arrangements are being made for the County Board of Health to conduct a "Food Handling" school in the near future, for the benefit of the merchants and the public. The group enjoyed a "Dutch" lunch after its session.

# Trend For Higher Employment Is Not On Increase

The trend toward higher employment was indicated in the 1947 job opening report of the Belle Glade office of the Florida State Employment Service directed by Octavio A. M. Larimore, local office manager announced today.

During October, 100 applicants came into the Belle Glade office, in addition to the 281 on hand at the beginning of the month. The total was 381, including 5 women and 19 veterans.

A total of 4 disabled veterans and 10 unemployed workers are compensable work during the entire month, all of them having been placed during National Employment Physically Handicapped Week, October 3rd through 9th.

The seasonal upswing in employment is beginning to be noticed. Vegetable packing sheds are making preparation for opening in the new season. The Mill is scheduled to begin operations during the month of November.

For applicants on file with the Florida State Employment Service office show that the greatest number of workers available are farm hands, and vegetable packing workers. An in-migration of these types of workers is now apparent.

Employment prospects for the next 30 days are good in farm work, processing vegetables for fresh pack, and in sugar processing.

Persons desiring employment should place their applications with the Florida State Employment Service office at 125 S. W. 2nd Street, and employers wishing to place orders for workers may call 307.

# Special Visitation Of Service Officer

O. D. Penton, assistant Veterans Service Officer, is to make a visit to the Glades area, to assist Director I. J. Frasure, of the Belle Glade office, in handling local cases in the work performed by this office. The schedule of visitations are as follows: November 24, Canal Point Post Office, 6:30 to 4 p. m.; November 15, Pahokee City Hall, 8:30 to 11:30 a. m.; Veterans service office in Sanders Building, 1:30 to 5 p. m.; November 16, Lake Harbor Post Office, 8:30 to 11:30 a. m. Veterans who have problems which have not been adjudicated are requested to report at these special conferences.

# Pioneer Little Blue Heaven Building Has Passed Into Oblivion

Under progress of the time, and the city drive to eliminate undesirable property, the little blue heaven building, "As Little Blue Heaven," on West Avenue C in darkey town, has been sold by the city. The building, which was built by Spikes, the blind newspaper vendor who has had his lunch stand in the building, has moved his stand to Fifth Street, just opposite the First Baptist Church. This razed building was one of the oldest in colored town.

# Repair Building Permits

Building department activities the past week were not many and covered the following repair work: Ben White, \$600; Ben Bevin, \$300; James Ellick, \$400; Al Mulach, \$1000; J. B. Brown, Joe Strasser, James Oliver, each \$100.

# Florida Farmers Act Upon Many Of Their Problems

Ask Federal and State Governments For Additional Funds

The annual meeting of the Florida Fruit and Vegetable Convention held in West Palm Beach, last week, proved a record breaker in respect to attendance and importance of program subjects discussed and acted upon.

The importance of the state and federal money in Florida was stressed, and others are needed. The Association will ask both these government units to continue present appropriations of support, and more if possible.

That partial refund on gasoline tax payments, for fuel used for power equipment not used on highways, be remitted to the grower, was recommended.

As Florida is a great agricultural and fruit producing state, that conditions demand much more research work at the stations to keep pace with conditions, recommendation was made. The Association will ask both these government units to continue present appropriations of support, and more if possible.

# Moore Haines Rainbow Chapter Given Its Official Charter

The Masonic Hall at Moore Haines on Wednesday night was the scene of a charter presentation of the Rainbow chapter of that town. The patent was presented by Mrs. Della Greene, supreme deputy of Florida. The event was open house to members of the Rainbow chapter at Ft. Myers, Belle Glade, Pahokee and West Palm Beach, from which sizeable delegations were present. A buffet supper was served following the impressive ceremonies.

# Conner's Highway Agency Open To Public Travel

Announcement is made that Conner's Highway, which has been closed to public traffic since the September hurricane, is again open for public travel. From Twenty Mile Bend to Canal Point. The highway was considerably damaged by the storm but not so extensive as in 1947.

# Iris Bronson To Again Head State Association

The Florida Cattlemen's Association held its annual meeting at the Magnolia Hotel, with a record breaking attendance. Iris Bronson, president of the Everglades Growers at Pahokee.

# Rental Service Given By C. C.

The Belle Glade Chamber of Commerce is requesting listings on houses or apartments for rent. They have daily delinquency and on this Friday the information of the owners will phone in what is available to the Chamber office.

# Don't Fail To See Charitable Negro Football Tontine

Belle Glade people are known for their liberality in supporting well worth charitable projects, and on this Friday night, at Memorial Field, they have the opportunity to support one of these projects. The tontine in white people are asked to help out the colored Industrial High School in its athletic program, at Memorial Field.

When you run up against a crafty coach such as Smith of Dania, you can expect most of the players to be in the field. It displayed here on last Friday night. Two frequently were Dania players carried off the field and a yell for a doctor made. The players were back in the game as alive as ever. This appeared to most people as a dodge of the referees. Could it be a pre-arranged affair? It stunk anyway to the patrons. Either Cooke's boys were in superb condition or else the Bulldogs could not cope with them.

# Hunting Violators Lose Licenses

Seventy-two persons are ineligible to purchase hunting licenses in the state this year because they were convicted of gentled law violations during the closed season, Ben C. Morgan, director of the Game and Fresh Water Commission, said today.

Under still game laws, persons convicted of out-of-season hunting forfeit their right to purchase a license.

Morgan said lists of closed season violators have been sent to county judges throughout the state.

Hunting season opens November 24.

# Bi-Weekly Dance Saturday Night At Country Club

President Harold Rabin of the Country Club of the Everglades will call the dance.

The club and their invited guests to not forget the bi-weekly dances, on Saturday nights.

Howard Mott's dance band will return by special request to the club who enjoyed it music at the last dance.

Club Manager Phil Mills reports that the club is enjoying a very good play at the Friday night with the Ladies Day each Friday afternoon being largely attended.

# Railway Agents And Buyers Again On Their Old Jobs

The packing house of the Belle Glade Farmer's Co-operative received several consignments of beans from the Dell farm, which inaugurated the season for that firm.

The Rabin Corporation also is engaged in shipping beans, the owner handling some eastpoint farm. All local plants of his own beans are expected to be in practically full operation next week. Highest price on beans to date was quoted at \$4.50 per hamper.

There will be quite a number of new faces occupying official positions for the coming season. Rudy Faulk with the Wedgworths, Colquhoun with the Mings, and Beverly Gifford with the Bessy outfit, Roy Vandergrift, president of the Everglades Growers at Pahokee.

# Several Hundred Tuberculosis Cases in County

Dr. Burton F. Austin, County Health Officer, has released some interesting facts in connection with the recent county wide tubercular X-ray campaign. He states that out of the 11,813 cases so far checked, that 1,200 cases of tuberculosis have been located, of which 60 are definite, 129 suspicious, while 64 others had enlarged hearts, 62 had enlarged lungs, and 32 others had pathological troubles.

Dr. Austin states that all suspects of tuberculosis have been notified and requested to return to the County Health center, for a more thorough checking and to arrange for proper care and treatment. The findings are held most valuable to the Health Department, in order to stamp out this dread disease in Palm Beach County.

The X-ray machines are still in operation in the county and 15,000 checkings are expected by the termination of work.

# McCabe Chosen To Head Vegetable Club Coming Year

Some 150 guests spent a most enjoyable evening at the Radio Club in Ft. Lauderdale, Tuesday night, when the November 11th anniversary of the late Dr. T. D. Rabin was celebrated. The night program was held by the Glades Branch of the National Association of Vegetable, Fruit and Vegetable Distributors Association. It was declared a most successful party.

The program featured prime ribs of beef with sumptuous side dishes to which all did ample justice. The two hour floor show was given by artists from the Club Ball, of Miami, with Harvey Bell, and the Glades Branch of the National Association of Vegetable, Fruit and Vegetable Distributors Association.

The business session officers were elected and installed as follows: President, A. E. McCabe, of Belle Glade; vice-president, Lester Duncan, of Pahokee; secretary, Jesse Elliott, of Pahokee; treasurer, Frank Dooley, of Belle Glade. President McCabe stated he would name a standing committee membership at the December meeting of the League.

# Liquor Ban Setup Is Provided For Memorial Field

The City Commission met in a long dragged out session Wednesday night, when the city fathers agreed to set up a liquor ban at Memorial Field.

The lobby was well filled with citizens who had come up to the City Commission to voice their objections to the liquor ban.

Rev. Leonard Vanderwater, of the Community Methodist Church, appearing for church groups, entered protest, against the use and display of intoxicating liquors at Memorial Field.

# Aged Canal Point Woman Passes Away

Mrs. Annie Murphy, of Canal Point, aged 86, who has been for two years a patient at the Memorial Hospital at Pahokee, died on Thursday, October 4, and funeral services were held on Sunday, conducted by Rev. A. Scoggins, with burial in Ft. Myer cemetery. She was the first four daughters, 12 grandchildren and 11 great-grandchildren to mourn her demise.

Mr. Allen Stern, aged 40, died at Pahokee, Friday, leaving his husband and four daughters and one son. Services and burial was made at the former home at Starke.

Car Collision Injures Belle Glade Negroes

Enroute home from West Palm Beach, John Manga, a Belle Glade Negro, had a rear end collision with a car driven by Lee Gilmore, also of Belle Glade, near the Range line road. Road patrolmen reported both cars badly damaged. Manga sustained fracture ribs, and Gilmore, and Mamie Loftis, his wife, were seriously injured.

# Rams Shellac Trojans 26 To 6 At Lake Worth

Belle Glade's Golden Ram's romped over the Lake Worth Trojans last night at Rues Bulard Field, Lake Worth, by the one sided score of 26 to 6.

The locals scoring rampage got away early in the first quarter when Williams let go with a pass to Cone from the Trojan's 44. Cone made the catch and traveled 12 yards and Williams skirted his left end for the TD on the next play.

About midway of the second period Williams got loose around his right end for another touchdown. The Trojan's 44. Cone made the catch and traveled 12 yards and Williams skirted his left end for the TD on the next play.

The game came in the closing minutes of the third period, when Ram quarterback, Williams galloped 102 yards for the local third tally of the game. With the ball resting in their two, Williams skirted his left end from behind the goal line and speared the end for his team mates.

The Trojans capitalized on a Ram fumble early in the second period when the Trojan quarterback flipped to his right end for the tally. They try for the point was no good.

# Planning Board Zoning Report Is Now An Ordinance

The City Commission met in special session Wednesday night, Oct. 3rd, to consider the submitted report of the City Planning Board on the revised zoning for the certain areas, and the passing of an ordinance, complying with the result of the suggestions made in the report.

The ordinance divides the city into six zones, and specifies what classes or types of buildings and business which can be located in the various zones, and also providing a mode of procedures for future amending the ordinance.

Most of the changes made were already in effect. The ordinance was adopted in the news columns of the Herald. One change made was Lake Road, whereby the Kenneth Lake property is zoned for business purposes only, made at the request of the owner.

A petition signed by 175 property owners and citizens protesting a liquor shop in Bill Pierce's allotment, was before the Commission. The Commission minded manner in which this permit was considered, there is not likely to be such an establishment as the liquor regulation adopted for that area, which will be hard for any applicant to meet.

# Labor Camps Show 1.16% Net Of Income For One Years Operation In Annual Report

No Hunting In Big Cypress Reservation

The Department of the Interior has issued notice that there will be no game hunting on any of the lands of the Immokalee or Brighton Indian Reservations, as all game is being reserved for the use of the Seminole Indians. Passage through the Immokalee planes, will be by in and out passes issued at the reservation gate, without charge, for those wishing to hunt in other territory.

Settlements owned by the Seminole Nation, largely at Brighton, around 4500 acres, by tribal action, are soon to be divided up among the worthy tribesmen, to be their own property. A request of the title will be kept for further up-building of the communal owned herd. This action is a real innovation for the Seminoles.

The nursery schools were operated at both projects, with buildings being furnished by the government, and a small charge paid to private operators for food and salaries.

# Dr. Fred C. Hull Advances In Farm Research Work

Dr. Fred H. Hull, one of the country's outstanding geneticists, became head of the agronomy department in the University of Florida Agricultural Experiment Station on November 1. He succeeds W. E. Stokes, who died July 19.

Station Director Harold Mowbray, who announced the appointment, said that during the 21 years he has been in Florida Dr. Hull has been a high-yielder, adapted to this state, has helped to produce an outstanding variety of peanuts, and has developed high-yield varieties of corn, which have involved a theory which is believed will enable plant breeders to obtain still higher yields with hybrid corn.

He has developed Floridan White and Yellow varieties and has developed a hybrid corn, and has contributed two of the four parent lines to the new Dixie 18 hybrid. He initiated the pea breeding program that is now in Dixie Runner, a high-yielder variety comparatively free of concealed damage.

His theory on recurrent selection will require two or three more years to prove, and has been under field test for two years.

# Right Or Wrong Officials Must Be Protected

Principal Frank Hobson spoke quite sternly and impressively before the Lions Club, a ceremonial occasion on which many High School holds conference relations. He stressed that all types of officiating can be expected, and whether or not favorable to the patrons and teams, all officials must be given protection, against citizen, and against representative of the press.

He was of the opinion that no penalties would be assessed as the result of the recent Danis episode.

Announcement was made that the benefit game listed for Thursday night, when the Belle Glade and Delray colored schools would be played, was a Memorial Field on Friday night. Lion Cooke, Lovett Holton and Earwood will officiate at this game. Three bands will be in attendance.

Response was made by W. L. Anderson, of the U. S. Department of Commerce of the Federal Bureau of Investigation, and stating a representative would soon visit Belle Glade to consult with citizens and to make a survey of the situation.

Frank Close has purchased the interest of his brother Herbie Close, in the latter's share of the C and B Cash Grocery and is preparing to open same soon.

# More Than 2,500 Benefit Thru Local Operation Of Two Camps

The Belle Glade Housing Authority, organized under State Laws thru the City of Belle Glade, with five members, made its annual report to the City, \$1504 for the year's operation, as required by law, showing a total income from the two camps of \$128,751.00, and a net of \$128,751.00.

Emmett Roberts, Executive Director, in his report points out that "our tenants have continued to provide for their medical and nursing care on a cost basis, under the County Health Program, in building and facilities furnished by the City."

Schools are operated at both camps under the County, with \$1504 for the year's operation, as required by law, showing a total income from the two camps of \$128,751.00, and a net of \$128,751.00.

The nursery schools were operated at both projects, with buildings being furnished by the government, and a small charge paid to private operators for food and salaries.

The Authority has paid out some \$1000 in drainage taxes the same rate as other tax payers, though the law provides for tax free operation.

Jobs have been provided for 15 to 20 persons and approximately \$25,000 annually is spent from the local payers, aside from the \$12,000 was spent on (Continued on page 4)

# Chief Bender Asks Public To Help Prevent Fires

Chief Guy Bender of the Everglades Fire Control District requests that his organization is kept busy now organizing calls to put out the fire in the sub-drainage areas where the muck seems to be so susceptible to fire as just after a frost.

Persons in the protected areas are requested to do the extra patrol in the sub-drainage areas, as there have been numerous small fires where quick action was necessary to prevent road beds being burned as well as bridges.

Of course, everyone knows that no fire may be started unless it is insured. In this way the District can watch the operation and prevent the fire spreading.

# OBSERVATION And Comment

By John M. Gledhill

I have lived sixteen years hoping that I could cast a winning ballot for a Republican president, and based on all public relations of the possible outcome, had strong hopes that this election would result in the election of a Republican president.

Response was made by W. L. Anderson, of the U. S. Department of Commerce of the Federal Bureau of Investigation, and stating a representative would soon visit Belle Glade to consult with citizens and to make a survey of the situation.

EGGLESTON-LYONS WEDDING VOWS SPOKEN

In a beautiful candle light ceremony, Miss Grace Eggleston, daughter of Mr. and Mrs. M. C. Eggleston, became the bride of Elmer Wendall Lyons, son of Mr. and Mrs. Wendall Lyons, Wednesday, November 10th, at 7:30 o'clock, at the Community Methodist Church.

The double ring service was conducted by the Rev. Leonard Vandewater before a palm bunched altar, with baskets of white chrysanthemums arranged before the branched candelabras.

Miss Ruth West played the wedding march and accompanied Mrs. George Boydston who sang "Oh Sweet Mystery of Life," and "Till The End of Time."

Given in marriage by her father, the bride wore a gown of white slipper satin fashioned with fitted bodice, scooped neckline over round net yoke, and long sleeves pointed at the wrist. The full length skirt extended from a flared pleat. Her finger ring of illusion was attached to a beaded tiar, and she carried an arm bouquet of white mums centered with

and orchid.

Bridesmaids were the Misses Helen Friedheim and Joyce Ted-

ford, who wore identical gowns of taffeta and carried bouquets of yellow mums. Their tias were fashioned of yellow mums and lace. Miss Friedheim wore pink and Miss Tedder pale blue.

Bestman was Eddie Crosby, and ushers were Bill Eggleston and Steve Knorr of West Palm Beach. John Bregar served as candle lighter.

Mrs. Lyons, mother of the bridegroom wore an aqua suit with pink accessories, and Mrs. Eggleston a dark print with matching accessories. Both had corsages of orchids.

Immediately following the service, reception was held at the Woman's Club building with Mrs. Albert Squires and Miss Faye Ledbetter serving.

Mrs. Marvin Carter was in charge of the guest book, and Miss Louisa Friedheim assisted in serving the guests.

Interesting Reports Heard At PTA Meeting

Guest speaker at the meeting of the P. T. A. Monday evening, Mrs. Renise Lansing, county superintendent of schools, was the featured attraction.

During the business session which was presided over by Mrs. R. E. Freeman, the following reports were given: Mrs. Otis Hays announced that the Association had 276 paid members to date, and honorary membership has been presented to Mr. and Mrs. A. A. Kirchman and Dr. and Mrs. Thomas Greger, Jr.

Lively reported on the recent installation of the safety patrol when all of the boys were made junior deputy sheriffs, and plans are being made to send two boys to Washington, D. C., to attend the national safety patrol convention. A financial report was given on the Halls' ween carnival showing a net profit of \$43. The sum of \$250 of the annual carnival proceeds have been given to the Public School Music Department.

Mr. Jones is a member of the American Legion, Veterans of Foreign Wars and the Hotel Greeters of America.

Arriving here Wednesday is Dr. Chester Swor, nationally known lecturer and health leader, who will conduct services at the First Baptist Church, daily beginning Wednesday evening 7:15. Both morning and evening services will begin at 7:30 o'clock throughout "Youth Week."

Dr. Swor will speak over radio station WSWN by transcription Monday November 15, and Tuesday November 16 at 9:15 a.m.

On Thursday November 18th, Dr. Swor will speak to the students at the High School Athletic building during assembly period.

Following the evening service a conference period will be held, and questions and problems will be discussed by Dr. Swor.

He is a veteran of World War II. He had married Ruth McCormick, a cadet nurse at Charleston, S. C., at the close of the war. Survivors of his mother and wife are a son, George Stephen "Stevie" 2½ years of age, and his grandparents, Mr. and Mrs. C. J. Brown of South Jersey.

He was a nephew of Mrs. Gideon H. Brown of Cleveland, Mrs. Genevieve Cook, teacher in the Bell Glade School, and Mrs. C. E. Foster, of Belle Glade now living in New Jersey.

The accident was officially investigated by State Highway Patrolman W. R. Kauffman and Constable Ray N. Whitlock.

The bodies were taken to the Coroner George Tedder to be buried in the cemetery at Pahokee and later in the night transferred to Miami to the care of Philbrick's Funeral Home.

Roundtree served with the Marine Corps for 4 years. Moeller was also a veteran of the European Campaign, wounded in the Normandy invasion and again in the Battle of Germany, April 13, 1945. Both young men were graduates of the Miami High School and both had made Miami their home for many years. Moeller was among the first drafted to leave Miami at the opening of the war.

Moeller leaves a sister, Mrs. Katherine Blackstone of Stuart, to mourn his untimely death.

The two young veterans operated a virgin manufacturing plant in Miami. They had taken off earlier in the afternoon in their plane, a PT-18 of the type used as a primary trainer during the war.

The Civil Aeronautics Board has requested highway patrolmen to guard the plane until investigators can arrive.

val of the patrons, and was also the source of cause of trouble and disturbance. He urged the commission to pass a strong ordinance which would not permit this use of liquor within the enclosure at future games. This offense complained of was not due largely to local offenders.

This matter having had commission notice, the solicitor prepared such a prohibiting ordinance, which had teeth in it, and same was enacted as an emergency act. So those who like their liquor, had better omit it at the athletic field.

Jack Torrence, Jr., who resides over in Sylva Heights was present to represent the residents of that section who were a complaint against the pasturing of cattle on the Judge Hubbard lands, and asked for relief from the unpleasant odors arising from the pasture. Commission will consider this complaint for later action.

The reason for the prolonged session was that the Body was considering, discussing and arriving at decisions, as to what should be included in the most important ordinances that were or are to be passed.

An ordinance was presented and enacted which set up the rules and regulations and procedure for setting up and amending the liquor sale zones. Still another one was to make clear the meaning of the wording of the Parking meter zones.

Nazarene Church To Hold Revival Meeting

A revival meeting, sponsored by the Church of the Nazarene, will start Monday evening Nov. 15, at 7:30 P.M., at the girl scout hut in Belle Glade.

Services will be held each evening at that time. Dr. W. N. Harrington of Gainesville, Fla., will be the evangelist and he is very widely known as a radio speaker. Gospel singing and preaching will be held each evening. The public is cordially invited to attend.

Living Newspaper Discussed by Methodist Pastor

At the Community Methodist Church, Sunday morning, the subject being "Living Newspaper," as applied to personal life. Following the services, around 75 members of the congregation enjoyed a sumptuous pot luck dinner, and many remained for a session of the official board. Bishop Roy Smith of the Florida area, called a conference session at Tampa, this week, and the pastors of the state. Glades pastors attended the session.

CARD OF THANKS

Consideration and acts of helpfulness in time of great need is proof positive of friendship and a practice of the Christian beliefs. The many acts of friends and acquaintances following the bereavement of our father and husband exemplifies these beliefs. We sincerely thank you!

Mrs. W. A. Designers and family. 11-12-47

SOONER OR LATER—MR JAYWALKER GETS A RIDE!

You have heard of him before, read about him in the obituaries and cursed him when driving. Mr. Jaywalker is the habitually irresponsible pedestrian who accounted for 34% of Florida's traffic fatalities in one year and 195 of his kind were given ride to the morgue. Throwing away the safety 1,190 pedestrians lost their lives last year. Are you started?

If you have any jaywalking tendencies in your make up eliminate them before they eliminate you. Danger to life and limb is ever present when you venture into traffic. Yet it requires only the simplest application of a little common sense and astuteness to quit being a Jaywalker. Walk and cross streets and highways where you should—when you should. Don't pit your body against speeding metal; it won't win.

Dewey Hodges and brother-in-law Wallace Paul of Auburn, Ala. visited the former's brother, J. H. Hodges and family last week as they were enroute to Miami.

### Sunday School Class Elects its Officers

The Older Junior Boys Sunday School Class of the South Bay Baptist Church taught by Mrs. Mary Alice Kendall elected officers for the year. David Boatwright was elected president; Glenn Martin vice-president; Lomax Harrell secretary; Claude Chazy treasurer; Jack Williams, Bible leader.

### Elaine Nelson Has A Birthday Party

Mrs. W. L. Nelson entertained a group of children Saturday afternoon honoring her daughter Elaine on her third birthday. The tots were entertained with games suitable to their age and light refreshments served to Michael Wheeler, Mary Lou Mott, Darlene and Betty Jo Henderson, Carol Dyes, Richard Fisher, Wade and Bobby Nelson.

### Home Demonstration Club Has a Busy Session

The South Bay Home Demonstration Club enjoyed a picnic luncheon at the Recreation Hall on Thursday and spent the afternoon on Christmas handicraft, making shell ornaments and doing stencil painting on household linens.

A short business session was conducted by Mrs. A. N. Lamoureux during which the Christmas party was planned and Mrs. F. W. Mutchler, Mrs. Verda Higginbotham, Mrs. W. G. Byrd and Mrs. Mollie Covell were named hostesses for the party. It was agreed that the cost of gifts for the annual gift exchange would be limited to fifty cents and suggested that members make their own gifts. The wrappings on the gifts will be a demonstration of attractive gift wrappings.

Mrs. F. W. Mutchler, council delegate reported on the recent County Council session in West Palm Beach and stated that the January meeting would be in Belle Glade.

She brought out the fact that four handicraft training meetings were planned for the year and one clothing meeting and clothing contest.

Announcement was made of plans for a Gift Display at the Court House Kitchen in December at which any member in the county is privileged to display handicraft articles of home manufacture.

Miss Sara Horton, County Home Demonstration Agent, talked on Consumer Education in attendance at the handicraft work session. Members present were Mrs. A. N. Lamoureux, Mrs. W. H. Thumbe, Mrs. A. B. Barnes, Mrs. G. J. Barstow, Mrs. F. W. Mutchler, Mrs. Verda Higginbotham, Mrs. W. G. Byrd, Mrs. E. M. Willis and Miss Horton.

### South Bay Women Honor Former Post Mistress in Farewell

Mrs. Maude Hartline for almost three decades a resident of South Bay, 25 years she served as postmistress at the South Bay postoffice, first in the lobby of the Lock House and in recent years in her own building at five points on Main Street, was feted at farewell surprise party following prayer meeting at the South Bay Baptist Church on Wednesday.

Mrs. Hartline was presented with a beautiful table lamp as a token of the esteem in which she is held by the church of which she is a charter member. The Adult Training Union were

hosts on this occasion, Mrs. W. M. Jeffries and M. J. Hardy making the presentation.

Mrs. Hartline responded to the presentation of the gift in a few well chosen words, thanking them for the gift and expressing regret at thoughts of departure from the community and church which has been home to her for so many years. The Rev. Bill Oswald spoke for the church and Adult Union in expressing appreciation for Mrs. Hartline's long and faithful service to the community and church and of her active part in the growth and development of South Bay from a pioneer settlement to the present town with its varied activities, and interests.

Cake and coffee were served to Mr. and Mrs. Edwin Best, Mr. and Mrs. C. A. Armstrong, W. C. Allen, A. B. Barnes, Mrs. Josephine Rately, Mrs. Maggie Goodbread, Mr. and Mrs. J. Hardy and Ray Hardy, Mrs. Wayne Elledge, Martha Jean and Alice June Rately, Verna and Doris Martin, Mrs. J. E. Henderson and Eugene, Mrs. H. C. Willis, Mrs. W. M. Jeffries, Mrs. L. A. Simmons, Rev. and Mrs. B. A. Oswald, Mr. and Mrs. E. E. Hardy, Mary Lois Hodges, Minnie Hester, Mr. and Mrs. Horace Williams, and Mrs. Maude Hartline.

### Mormon Leader to Be Guest Visitor

Mrs. Lucille Walker announced two meetings of interest to members of the Mormon faith, J. Ruben Clark, one of the counselors to the Prophet George Albert Smith, will be the speaker at the Civic Center at Atlanta, Ga., on December 5. All Latter Day Saints are urged to attend this service, she stated.

Joseph Fielding Smith, on of the twelve apostles, will be the speaker on Monday November 29 at the Latter Day Saints Chapel in Miami.

### Post Master Hartline Takes Girls Girl For his Bride

The marriage of Eric D. Hartline, postmaster at South Bay, and son of Mrs. Maude Hartline, and Miss Willie Lou Daniel, youngest daughter of Mr. and Mrs. John M. Daniel of Round Mountain, was solemnized on October 23, at Coosa, Georgia.

The Rev. Findley performed the ceremony at the Baptist Pastorium in the presence of two of the bride's sisters, Miss

Elma Miller and Miss Sarah Daniel.

The bride was attired for the occasion in black wool suit with green trimmings and accessories. She wore a mixed corsage.

Hartline is also a native of Round Mountain, Alabama, but has lived nearly all his life in South Bay and attended schools at South Bay and Pahokee. He is a veteran of World War II, having served as Master Engineer Corps first in the States and later in the South Pacific Campaign. He is now Commander of American Legion Post No. 143 at South Bay.

The young couple took a wedding trip to Chattanooga, Tenn., before returning to Florida. They are now at home in the apartment over the post office which has been remodeled and redecorated for their occupancy.

### South Bay Four-H Clubs Organize For the Year

The South Bay 4-H Clubs organized for the year's work by electing officers at their November meeting on Thursday. Mrs. Mildred Michaud, assistant home demonstration agent, in charge. The local leader will be Mrs. Laura Willis.

President, Patricia Weaver; Vice-president, Nuda Cullipson; Secretary-treasurer, Betty Hester; Council delegate, Janice Sumner; Program Chairman, Marian Ridgehill; Song Leader, Elma Eloy; News Reporter, Jackie Mutchler.

Mrs. Michaud talked about National 4-H Achievement week and announced that Elzora Christian of Greenacres had won a trip to the National 4-H Congress at Chicago on her records and achievements.

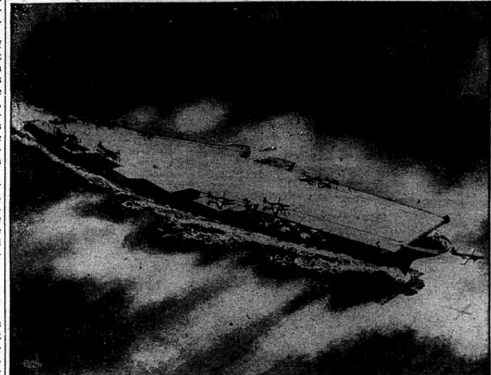

Record books for keeping records of achievements and projects for the year were given to each member. Fourteen girls were in attendance.

### FARM HARVESTING

Continued from page 1  
Curtis Thompson came in second with 250 bushels of beans, the postmaster at South Bay. This week quite a number of farmers brought pickings to the packing houses, and by the middle of next week, indications are that picking and marketing will be right brisk. How well the market to flow bountifully is one of those 864 questions.

Farm labor seemed to be adequate for the season opening, and picking prices, started off

### Super Aircraft Carrier Planned by the Navy

This is an artist's drawing of the U. S. Navy's 65,000-ton, flush-deck aircraft carrier. Originally proposed by the late Admiral Marc A. Mitscher, the design of this carrier has been under study since October, 1945. Although the basic design and major characteristics of the ship have been fixed, the location of certain structures, such as the stacks, elevators and the telescopic bridge, is still under study. The artist's conception reflects the Navy's present plans for the carrier. The largest U. S. Naval vessel to be constructed so far, the ship will measure 137 feet longer on the water-line than the 45,000-ton MIDWAY-class carriers. Her overall length will be 1,090 feet. Her water-line beam will be 120 feet and maximum beam width will be 160 feet. Including temporary structures which may be hinged up or down, the maximum width of the carrier will be 236 feet. Speed will be about 33 knots. (Official Navy Photograph)

Lee Hayman, of the Pioneer Pucking Company, as a representative of the Glades Branch of National Wholesale League of Fresh Fruit and Vegetable Distributors was in Washington, D. C., the past week, where he attended a hearing before the ICC on the famous Hartline transportation case out of Detroit. All the distribution associations were fighting vigorously before the Board, to get the prevailing decision set aside, as unjust and unreasonable. This decision had direct restrictions which effected the entire Florida area.

Glades growers are going to have a new truck outfit for their products, in the market which has been established in Miami by the Dade County Cooperative Growers. The new market building has been erected to take care of a million population in that metropolitan area. It will have capacity to handle 48 car load and 100 trucks at one time. Labor saving devices have been installed in strategic points. The retail warehouse is not yet ready for operation, but the wholesale buying and sales platforms are ready for use.

THE NEW JEEPSTER is Willys-Overland's latest—a distinctive sports phaeton with fine performance that make each trip a driving thrill. The Jeepster weighs less than any other standard-size car... rides with road-hugging smoothness.

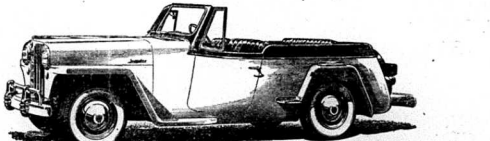

THE 'JEEP' STATION SEDAN is a perfect family car, with the luxury and comfort of a sedan plus the spaciousness of its all-steel station-wagon body.

THE 'JEEP' PANEL DELIVERY offers smart appearance together with low operating costs, thanks to low weight and the 'Jeep' Engine.

'JEEP' TRUCKS both 2- and 4-wheel drive, cut hauling costs through long service and low operating and maintenance costs.

### WILLYS-OVERLAND BLAZES THE TRAIL WITH SEVEN PIONEERING CARS AND TRUCKS

The first station wagon with all-steel body and top—the 'Jeep' Station Wagon—showed the way to wider practical usefulness and greater safety.

The 4-wheel-drive 'Jeep' Truck is the first volume-produced vehicle of its kind—designed for off-road duty, for tough grades and bad roads.

The Universal 'Jeep' is the first all-purpose farm vehicle built for use both in tractor work and for hauling or towing at highway speeds.

The new Jeepster is America's lowest-weight standard-size car—distinctive in appearance, far ahead in economy.

The 'Jeep' Station Sedan is an entirely new type of car, combining sedan comfort with station-wagon spaciousness.

This pioneering by Willys-Overland—fitting cars and trucks to actual needs—has brought world-wide success to these more useful, more economical vehicles. We invite you to see how fully Willys-Overland's postwar products meet your transportation and hauling needs.

THE 'JEEP' STATION WAGON, with all-steel body and top, is dual-purpose—a smooth-riding passenger car and a practical vehicle for hauling.

THE UNIVERSAL 'JEEP' is America's most versatile vehicle for farm and industry, serving as tractor, mobile power unit and for hauling.

## OBSERVATIONS

(Continued from Page 1)  
of Dewey's let down. Don't pay  
reference in the Delta game was  
days.

There will not be a moving  
date in January at the White-  
house. Perhaps "Harry" may be  
able to get his Congress to re-  
build the White House over, in-  
stead of just one new porch.

Voting machines, efficient  
election machinery set up, and  
the radio, made it possible for  
the people of our nation and  
the world, to know within 18  
hours after the close of the  
polls, the possible winners in  
national, state and county offices.  
In the period in which I was  
born, the telephone was a new  
communication innovation, and  
now it is the radio and televi-  
sion which has the command in  
communication.

The Mount Dora and Lees-  
burg newspaper boys, and  
Chamber of Commerce, are go-  
ing to see that the Florida Press  
Association cohorts, are given  
ample welcome and entertain-  
ment when they meet for a  
convention in Mt. Dora on No-  
vember 26-28. It being a cen-  
tral meeting place attendance  
should be large.

Well Fuller Warren has at  
last secured a desire of youth-  
ful days, that at sometime in  
his career, he might be Gov-  
ernor of Florida. Floridians sent  
him into that office with a  
smashing sized vote. Fuller is  
expecting a mammoth bunch of  
the electors to be present at his  
inaugural party at Tallahassee  
in January, which promises to  
be a most colorful and specu-  
lar event, the largest and  
greatest in history of Florida  
inaugurations.

Nothing lets down the spirit  
of football as inefficient and  
unfair officiating, nor does it  
do the sport or the patronage  
any good. The work of the  
referee in the Delta game was  
about as sorry an exhibit of  
fair and good refereeing as has  
ever been staged on Memorial  
field. Funny, how one official  
could see so many errors of  
play against the Rams, when  
the other officials missed them.  
Why the Referee's Asso-  
ciation carries and assigns in-  
capable men to games of the  
importance as the one on last  
Thursday night, is a mystery.  
Those penalties sure did put  
a crimp in Belle Glade carry-  
ing off victory instead of a  
game. Understand the officials  
left town under police protec-  
tion, at their request. Let  
them have our own local officials  
work if imported ones can do  
no better than the spectacle and  
humiliation in the Delta game. The  
fans were correct in showing  
their vociferous indignation and  
protest against this one official's  
decisions.

It is time for our local  
citizens to begin thinking about  
trading with local merchants  
for the coming holiday season.  
These men deserve your trade,  
and have expended amounts of  
money to stock up their stores  
with excellent seasonal mer-  
chandise. The more our trades-  
men patronized, the more  
they can do for the city. Belle  
Glade is a good trading spot,  
so before running away out of  
town to do your trading, why  
not visit and buy from our lo-  
cal stores! Your friends will  
appreciate your patronage.

The joy that the school  
kids got from their All Saint's  
night frolic, was a good thing  
to witness, they enjoyed joy  
supreme. A mighty fine man-  
ner in which to control the  
youth on a Halloween night.  
No deprivation in the city on  
that night is the word from the  
local police department.

Lions have adopted a move-  
ment which they hope will mean  
a good financial return for the  
Swimming Pool project. It is  
hoped that the financing on the  
project can be completed by the  
end of the season, and actual  
construction work be started  
and completed during the slack  
summer months.

Hum of the packing grading  
bells will soon be welcome music.

Congressman Dwight Rogers  
and George Smathers, south  
Florida district Congressman,  
are congratulated by the Her-  
ald's Observation writer, on  
their return to the 81st Con-  
gress. Both good and efficient  
representatives for the districts  
they represent.

Florida's official family at  
Tallahassee, state offices and  
legislature, will be solidly Dem-  
ocratic after January 1st, not  
a Republican won out for any  
of these offices.

Pretty sight to see the Boy  
Scouts of Belle Glade gathered  
around the dinner table of the  
Lions Club. It pepped up the  
lads as well as club members  
as to the importance and value  
of this Youth training move-  
ment, and responsibility.

Dog owners in Belle Glade  
are going to be singing that  
old ditty "Oh, Where is that  
Little Dog Gone", if they do  
not comply with the city or-  
dinance in regard to confine-  
ment and tagging of their can-  
ines. Inspector Willis is start-  
ing an enforcement campaign,  
and has set up a pound for all  
dogs captured. When the claim-  
ing time is up, there will be a  
decreasing of the dog popula-  
tion in Belle Glade. A word to  
the wise is sufficient, it is hoped,  
in this matter.

Secretary Frederick W. Cripp  
of the American Bible Society,  
point out that Bible reading is  
steadily on the increase and the  
Bible still holds top position as  
the world's most read book.

Dr. L. E. Kennedy, former  
state conservation officer, said  
he would bemoan the day  
when Florida's natural resources  
in forest, fish and fishing  
waters were ravaged by  
thoughtless persons, for it  
would mean the loss of untold  
riches. It is to prevent such  
a condition ever existing that  
the conservation program is being  
pushed so strongly and the  
spoilers are being given stiffer  
penalties, and more rigid rules  
and regulations are being put  
into force as to hunting and  
fishing and damage to forest  
areas. He held that conserva-  
tion officers were now doing  
the most effective work in  
their departments that the state  
has ever experienced, and the  
public giving better support.

Three North Country men  
came into Palm Beach County  
about the same time, and later  
made their home and fortunes

In the Glades area, they being  
Ed Bryant, Howard Sharp and  
"Rube" Vann all settling around  
Coral Point.

Howard Sharp became the  
Bryant was the pioneer who  
ventured in the sugar cane ven-  
ture and built the first grinn-  
ing mill at Anwar, now Bryant,  
and was connected with the  
U. S. S. Corp till his sudden  
death.

Owner and editor of the first  
Everglades newspaper know as  
the Everglades News, and  
which in its day, owing to the  
keen editorial and news policy,  
played a great part in mould-  
ing the public opinion in the  
then wild and then woolly  
glades.

Mr. Vann became interested  
in agricultural pursuits and is  
still active in that line, and is  
now enjoying the new packing  
house which stands on the site  
of the plant burned several  
years ago. It is to him that  
farmers go for consultation on  
farm problems.

All this trio of men came to  
the Glades by means of the  
passenger packet, known as  
"The Observation" running up  
the Palm Beach canal, with  
Capt. T. A. Bass, in charge.

In commemoration of that  
trip and boat Mr. Vann, has  
a picture of the boat on some of  
his official stationery.

From his office window, Mr.  
Vann, can now look out over  
the land then covered by Pel-  
ican Lake, and now sees flour-  
ishing cane and vegetables pro-  
fusely growing, as the lake bot-  
toms were made available to  
farming by means of drainage,  
some of the richest land in the  
Glades.

Mr. Vann recalls that once  
when he came down from the  
north, as a flyer investment, he  
brought in a car load of north-  
ern apples to be sold at the  
car. The product was not mov-  
ing and he was in for a heavy  
loss. He appealed to Howard  
Sharp, then editor of the Palm  
Beach Post, who came to his  
rescue, by placing an advertise-  
ment upside down on the front  
page of the Post. That adver-  
tisement did the business for  
the apples soon were off the  
market, and Vann was jingling  
coins in his pocket.

The name of another pioneer  
and friend can easily be added  
to this story, that of the late  
Lenny Strucky, who followed  
in Vann's steps in taking up  
commercial fishing and agri-  
culture. He like the other  
three made a success of his  
business ventures. Messrs.  
Simonson, Lair, Friend and  
McClure were also Pahoeks  
men who made good on their  
farming ventures.

Down in the section where  
I reside we have a group of  
some 19 or 20 children of var-  
ing ages, and I get a great kick  
out watching them play in  
their own various devised  
games. First it is building or  
tearing down a house, then  
they become truckers, or hunt  
tadpoles out of the flooded  
ditches, and play with their dogs.  
What does a amount to if  
he does not have a dog, the  
finest pet imaginable.

Our night time is not always  
peaceful for when "Gipsy"  
Poole, sees or hears something  
unusual, she sets up her loud  
barking, soon to be joined in  
by Coach Cook's Queen and  
"Katy", and Prof. Davidson's  
"Peggy", "Spider" Lindrope's  
"Toughie" and Muller's "San-  
cilio", which result on quite a  
dog chorus. We had another  
big pugacious dog down here  
called "Black Boy", who kept  
things humming in the dog  
kingdom, but he has been ta-  
ken from the neighborhood.

I know and pet every one  
of these canines, and it is good  
to have them make me wel-  
come when I drive up to the  
home. But I do wish that they  
had "barking silencers" in  
their throats at night time.

My Wife, who was a member  
of the First Methodist Church  
in Warren, Ohio, for over 50  
years, and the writer for forty,  
and active in all its branches  
at home, prior to taking up her  
home in Florida, keeps in  
touch with her former home  
church, through the church  
publications, which arrives at  
the home each Monday morn-  
ing. She was very much elated  
when she learned that the pas-  
tor of the church, for the past  
five years, Rev. E. Harold  
Mohr, D. D., had been chosen  
to head one of the important  
departments of the United  
Church, that of director of the  
"Advance for Christ and His  
Church" campaign, which will  
be a church program for the  
coming four years.

Dr. Mohr, one of the out-  
standing ministers of the North-  
eastern Ohio Conference, and  
after November 15th, will have  
his official office at 740 Rush  
Street in Chicago. The Church  
at Warren very successfully  
conducts a Radio Ministry, by  
morning broadcasts of the ser-  
vices.

The father of the writer,  
Rev. Joseph Gledhill, and the  
father of Dr. Mohr, the late

E. H. Mohr, Sr., were long in-  
timate friends and pastors in  
their Ohio conference, and a  
their sons kept up this relation  
for many years. I am happy  
to learn of the advancement  
of this my friend.
